## Choose Children!

There are many ways that you can support Saint Vincent Day Home and help to make a difference in children's lives:

1. You can give a donation to the Day Home honoring a family member, friend or colleague.
2. A monthly pledge will help a child learn and succeed.
3. The Day Home can accept donations of stock and real estate.
4. You can consider a gift through bequest, use of a trust, insurance or other planned giving methods.
5. You can also designate the Day Home when you make a pledge to the United Way. You'll need the following information:

**Saint Vincent's Day Home**  
 1086 Eighth Street

## LETTER FROM THE EXECUTIVE DIRECTOR

Dear Friends,

This is a letter I have long waited to write. As of June 30, 2003 we completed our Capital Campaign, having raised \$3.8 million dollars to renovate and expand the Day Home. This is an extraordinary achievement, especially for an agency like Saint Vincent's.

I want to express my deep appreciation to all our friends, both those who are new to the Day Home family and those who have supported our work over the years. The Capital Campaign allowed us to make the entire facility ADA accessible, construct four new classrooms, expand our capacity to serve 75 additional children and open the Hedco Family Learning Center.

Your generosity has been humbling and heartwarming. The good work your gift supports ensures that every single day more than 230 children are fed, educated and kept safe while their parents work to build a better future. Every day your kindness and commitment help nurture the neediest children in our community and support families in their struggle to break the cycle of poverty.

You are our "quiet heroes" and we thank you with all our hearts.

Corinne M. Mohrmann

# Saint Vincent's Day Home

## GOOD FOOD, FRIENDS AND FUN

That's the quick version of our year at Saint Vincent's Day Home. We enjoyed celebrating together, bringing new friends into our volunteer network, and planning for the future.

**As the adults worked on "the infrastructure," the children did their job-playing, learning and growing. Here are a few highlights of our year:**

Matt Haley, Hon. Carol Corrigan, Kimberley Briggs, Corinne Mohrmann, Kathleen Haley and Erin McGlynn at the volunteer recruiting party hosted by the Paragon Bar & Cafe at the Claremont.

### Helping to improve Oakland's future

The Paragon Bar & Cafe at the Claremont Resort and Spa generously hosted a reception and information session for Saint Vincent's Day Home in February. The event included cocktails, hors d'oeuvres, and an opportunity to speak with Day Home directors to learn about volunteer opportunities, such as becoming a committee member or event sponsor.

A winner on and off the field, Oakland Raider Matt Stinchcomb with Board member Rene Boisvert at the golf tournament. Matt has become a loyal friend of the Day Home, and recently wrote to us, "Please let the Livewires know that their card booklet has a prominent space on my refrigerator - I loved it."

### Fore!

Saint Vincent's Day Home held our 2nd Annual Golf Tournament in May. Held at the Sequoyah Country Club, the day featured breakfast hosted by A.G. Ferrari and Noah's Bagels, an on-course luncheon, cocktails and awards dinner, a raffle and auction. Not to mention golf!

The event was sponsored by Bob Burke and Morgan Stanley, Crescent Jewelers, Hon. Carol Corrigan, Gallagher Properties, Inc., Haley Law Offices, Men's Wearhouse, The Mohrmann Family, and Vic Stewart's-Famous for Steaks. A good time was had by all. Mark your calendar for the 3rd Annual, scheduled for May 10, 2004.

### A visit from Young Neighbors in Action

Young Neighbors in Action is an integrated service-learning experience with an emphasis on working for social justice and developing skills to make change possible. This summer two volunteer teams visited the Day Home, one group from Massachusetts and the other from Texas. As with last year, the week-long visits from these energetic teens was a huge help to the staff and a wonderful, fun learning experience for the children.

### Family celebration on August 28

Each of our nine groups of children entertained us with song and dance and some audience participation on this family day. We took this opportunity to say a fond farewell to each of our graduating families and welcomed in the new. Thanks to Proposition 10 funds (the tobacco tax initiative sponsored by actor Rob Reiner) we were also able to distribute early childhood literature to the parents.

### A safe haven and a beacon of hope for children and families in need

Founded in 1911, Saint Vincent's Day Home is the oldest and largest child development center in Alameda County, and among the oldest continuously operating childcare centers in the nation. In our 92 years of operation we have provided services to more than 30,000 children and their families:

- Children receive two meals and a snack
- Regular vision, speech, hearing, and dental screenings are conducted
- A full-time Registered Nurse monitors children's health and provides emergency care as well as training and referrals to parents
- Staff provides social service referrals to families such as DSS, physical and mental health professionals, homeless shelters, or crisis centers
- Parents and care givers participate in parent education workshops and can receive assistance with housing, immigration and job skill acquisition
- The California Department of Education's Program Quality Review has rated our programs "excellent"
- Saint Vincent's has been honored by the California Association of Child Development Administrators for outstanding services to families in need

*Saint Vincent's Day Home is synonymous with quality in early childhood education and family services.*

Newly appointed Bishop of Oakland Allen H. Vigneron visits Saint Vincent's.

KRON TV reporter Emerald Yeh with Executive Director Corinne Mohrmann

### Raising awareness on rising costs

Emerald Yeh, from KRON Channel 4 visited the Day Home on September 9th. She interviewed our Executive Director, Corinne Mohrmann, on the impact of skyrocketing workers' compensation fees on non-profits such as the Day Home. Case in point: Our premiums have risen from \$ 11,963 (September 2001) to \$ 95,794 (September 2003). That's a staggering \$83,000 hike in just two years! Emerald's segment aired on September 10th and 13th.

### Champagne brunch celebrates 92 years of service

Sunday, September 14th was a day for celebrating. Almost 200 friends joined in the festivities at our Annual Champagne Brunch, which marked our 92 years of service to West Oakland children and families.

Ready for our brunch guests (l to r): David Holy, Sim Avila, Kim Briggs, Rene Boisvert, Reiko True and Corinne Mohrmann

The gala event was hosted by Scott's Seafood Grill and Bar and featured tours of Saint Vincent's and the unveiling of the new donor wall acknowledging supporters of the Day Home's recent \$3.8 million capital campaign.

Highlights of the day included a scrumptious meal, perfect weather, a serenade by a group of Saint Vincent's Livewires (school age children), and connecting with old friends.

Michael O'Sullivan, Carlos Romero and Scott's Seafood Restaurant Co-owner Michael Staggs provided the fabulous meal at our annual Champagne Gala Brunch.

# SPOTLIGHT

Work is much more fun than fun.

Noel Coward, *The Observer*, "Sayings of the Week," 21 June 1963

Fast forward 40 years, and Coward's saying still holds true at the Day Home. We'd like to introduce two friends who make work fun, and have committed to making a positive difference for Oakland's youth and families in need.

**Anne M. Appel** learned of Saint Vincent's while working with friend Erin McGlynn on a fundraiser for the Special Olympics. Later, she hosted a gathering at the Claremont Resort and Spa to recruit committee volunteers for Saint Vincent's. It wasn't long before she signed on to the Day Home's events committee, the area in which she thought she could give the most (as Marketing Communications Manager for the Claremont, Annie brings a wealth of marketing and event experience to the Day Home).

An Oakland native, Annie says she has received a lot from this community and enjoyed growing up in it. She is impressed by how the Day Home looks at the well-being of the whole family. She also comments that she totally enjoys the company of her fellow committee members—so much so that she pursued further

involvement and was appointed to the Board this past Spring.

Annie now lives in Pleasant Hill and has recently become engaged. She and fiancé Ben enjoy spending weekend time with family, going to the mountains and going four-wheeling with their Jeep club. In terms of more fun on the horizon, Annie and Ben are planning a wedding for next year.

**Ted Gallagher** is an Oakland native whose family has deep roots in the community. His uncle started Gallagher and Burk, a local paving and grading company, back in the 1930s. Ted speaks of his own childhood fondly and is grateful he is now able to give back to the community.

Ted's path crossed with the Day Home's several times over the years.

He knew several people on the Day Home's Building and Grounds Committee, and also assisted with sponsorship of Saint Vincent's golf tournament. Recently, his family sold

the business, freeing up some precious time. Ted joined us this past Spring, and sits on the Building and Grounds Committee. It's a natural fit, and Ted has been instrumental in helping the Day Home finalize our renovation project, while assisting in

the planning stage of the Playground Renovation project.

Ted reports that it's been a real pleasure working with the Day Home, stating, "I'm 100% behind the goal of the Day Home. It's a wonderful cause."

Other fun things that keep Ted occupied include hanging out with his wife Courtney, and daughters Katharine and Megan, ages 11 and 7 respectively. Ted also reports enjoying Tahoe in the winter and summer, watching the Oakland As play, and coaching his daughter's soccer team.

## Thank you Annie and Ted!

## LETTER FROM THE DEVELOPMENT DIRECTOR

For 92 years, Saint Vincent's Day Home has nurtured children, helped parents enter or remain in the work force and assisted families with food, clothing, housing, medical and legal assistance. Our work and your partnership in it is more vitally needed than ever. We are launching a new initiative to help ensure that parents don't have to sacrifice their children's safety or sound development as they work to provide a secure financial base for their family.

For nearly a century the Day Home has been a steady beacon of hope for parents, struggling to improve their own lives and give their children a brighter future. Today, we address a new and pressing need with the establishment of the Children's Scholarship Fund. Our model is to partner with parents to achieve their goals by securing steady employment and leaving poverty behind. Yet, as parents improve their skills and attain better paying jobs they lose the state subsidy for child care.

Saint Vincent's spends \$828 per child each month. Parents are willing to shoulder much of this cost, but often they are unable to undertake all of it. We would hate to see a child who has thrived at the Day Home have to leave because a parent is actually beginning to succeed.

That's where the Children's Scholarship Fund comes in. These scholarships will let us help hard working families make the transition from government aid to financial responsibility. We are launching an effort to raise \$250,000 to endow scholarships for families in greatest need.

It is our hope that you will join with us to ensure that the children of today and long into the future will have every opportunity to receive the quality early care and education they will need for life-long success. Together we ensure that "as long as there is a Saint Vincent's, there will always be a place for a child to call home."

Sister Ann Maureen Murphy

Would you like to join our family of volunteers? A great way to get involved is to join a committee. Committee work is a fun and rewarding experience, and can also be a stepping stone to a Board position. Interested?
